REALKINETIC

YOUR POTENTIAL REALIZED

The user (and/or company), time,
machine stats (CPU, Memory, etc),
software version, configuration data,
the calling request, any dependent
requests

What of that can we get for
“free” and what do we need to
pass along

(Free == Machine Provided
Memory, CPU, etc)

The user (and/or company), time,
machine stats (CPU, Memory, etc),
software version, configuration data,
the calling request, any dependent
requests
