

read|kinetic.com|@read|_kinetic

REAL KINETIC

YOUR POTENTIAL REALIZED

What of that can we get for
"free" and what do we need to
pass along

(Free == Machine Provided
Memory, CPU, etc)

The data we can't get for "free" should go on the context

(Data that is "request" specific
User, Company, Calling Request Id)

What of that can we get for
“free” and what do we need to
pass along

(Free == Machine Provided
Memory, CPU, etc)
